

# GET DOWN

*Audio Adrenaline*

## [Intro:]

D E7 G D

## Verse 1

Bm  
Lavishly our lives are wasted  
D  
Humbleness is left untasted  
G D  
You can't live your life to please yourself, yeah  
Bm  
That's a tip from my mistake  
D  
Exactly what it doesn't take  
G Bm A  
To win you've got to come in last place.

## Pre-chorus 1

D E7  
To live your life you've got to lose it  
G D  
And all the losers get a crown.

## Chorus

D  
I get down, and he lifts me up  
E7  
I get down, and he lifts me up  
G  
I get down, and he lifts me up  
D  
I get down

## Verse 2

Bm  
All I need's another day  
D  
Where I can't seem to get away  
G D  
From the many things that drag me down, yeah  
Bm  
I'm sure you've had a day like me  
D  
Where nothing seems to set you free  
G Bm A  
From the burdens you can't carry all alone

## Pre-chorus 2

D E7  
In your weakness He is stronger  
G D  
In your darkness He shines through  
D E7  
When you're crying He's your comfort  
G D  
When you're all alone He's carrying you

## Verse 3

D E7  
This valley is so deep  
G D  
I can barely see the sun  
D E7  
I cry out for mercy Lord  
G D  
And You lift me up again
