SERMON NOTES

Title: Unity in Christ

Passage: John 17:20-23, Ephesians 4:1-6

PRAY FOR OUR CHURCH (EFCLA)

- **Pray for STM.** Pray for Kyrgyzstan STM: Our Kyrgyzstan STM team is currently doing mission in that country. Pray for the safety and team members' health. Pray that God would use them and the local ministers to bring a spiritual revival to Kyrgyzstan. As a result, lots of Kyrgyzstan people would turn to God.
- **Pray for Unity:** Our church has five congregations, and people speak four different languages. Pray that our church would endeavor to keep the spirit of unity, and jointly to make efforts in performing the vision of our church, reaching out to the lost, making disciples, loving each other, and caring for the communities.
- **Pray for the Sick.** Pray that the Lord would heal those who are sick and restore their health and strength.

PRAY FOR THE WORLD

- **Pray for Suriname:** Having gained its independence from the Netherlands in 1975, Suriname is an ethnically diverse country. It paradoxically holds a high standard of living while facing severe political and economic challenges. The presence of crime rings trafficking drugs and smuggling gold have negatively affected the nation. More than half the population is Christian, and churches are sending missionaries into unreached areas within their nation. Prayer networks and cross-denominational partnership are also growing. Pray for the crime rings to be exposed and taken down. Praise God for the missionaries going into unreached areas to share the gospel.
- **Pray for the Revival of California:** California is the most populated state in the US, and it has the highest GDP among the states. Although there are still over sixty percent of adults in California declare themselves as Christians, but churches Protestant and Catholic alike are shrinking through past years. Pray that the Lord would use His Church in California to fervently reach out to their communities to win a great deal of Californians to Him as to overturn the declining Christian faith.
