## PRAY FOR OUR CHURCH (EFCLA)

- **Pray for the devotional life of brothers and sisters.** Ask God to help every believer set apart time each day to draw near to the Lord, developing a steady habit of reading Scripture, praying, and meditating on His Word. Pray that the Holy Spirit will renew the church, giving everyone a deeper hunger for God’s Word and a desire to make it their daily guide. Ask the Lord to use the content of *Living Life* to enlighten, remind, and build up brothers and sisters through daily devotion.
- **Prayer for the spiritual hunger and revival of Gen Z.** According to reports, a higher proportion of Gen Z attend church. We pray that God continues to stir a deep desire for Him in their hearts, that they may love church life, seek to know God, and eagerly participate in worship and fellowship. Reports also show an increase in Bible sales; we pray that the Holy Spirit will guide young people as they read the Scriptures, helping them understand the truth so that God’s Word may take root in their hearts and bring life transformation. May Gen Z be a light and salt in their schools, workplaces, and social communities, bearing witness through their faith and leading more people to the Lord.
- **Pray for the Sick.** Pray for the brothers and sisters you know who are in poor health. Ask God to heal them and restore their physical health.

- **Prayer for the season of thanksgiving.** We pray for hearts of gratitude, asking God to help brothers and sisters always remain thankful, seeing His grace and provision in both good times and difficult times. We pray that the Lord bless family gatherings, so that family members may understand, respect, and live in harmony with one another, reflecting God's love. May brothers and sisters bear witness to God's grace with grateful hearts, so that more people, seeing His works, will be drawn to know the Savior, Jesus Christ.

### PRAY FOR THE WORLD

- **Pray for West Africa—Ghana.** Ghana is a nation rich in resources and full of passion for education, with great potential for development. About 57% of its population is under the age of 24. However, there are as many as 250,000 "AIDS orphans" who have lost their parents to HIV/AIDS, and many children under the age of 14 have also died from the disease. Let us pray together that the Lord, who works with power to save and heal, will have mercy on the people of Ghana and bring them His salvation.
